

## **Announcement for Foreigners – Change in the Procedure for Submitting Temporary Residence Applications (Effective April 27, 2026)**

Please be advised that as of **April 27, 2026**, due to an amendment to the Act on Foreigners, a new and **exclusive** method for submitting applications for a temporary residence permit has been introduced – via the nationwide **MOS 2.0 system**.

Applications submitted by any other means (in person at the Office or sent via mail) will be left without consideration.

In the case of applying for a temporary residence permit for the purpose of education (studies), the foreigner is required to attach the so-called **Annex No. 5** to the application in the MOS system, which replaces the previous certificate obtained from the university.

### **Procedure for Obtaining Annex No. 5:**

- The international student completes the form in the MOS system and provides the university's email address:
  - **For students who began their studies from October 1, 2025:**  
prodziekan.dydaktykaw6@pwr.edu.pl
  - **For students who began their studies before October 1, 2025:**  
admission@pwr.edu.pl
- Once the student fills in the required data, Annex No. 5 is automatically forwarded to the university.
- An authorized university employee completes the document and signs it with a qualified electronic signature.
- The signed document is sent back to the student via the MOS system.
- The student attaches Annex No. 5 to their application through the MOS 2.0 system.

Applications must be submitted **exclusively** via the MOS 2.0 system available at:

Please familiarize yourself with the new rules and follow the indicated procedure when submitting applications.
